***If teams are tied in Percentage, RANKING is determined by the following:**

FIRST, by the overall winner of "Head to Head" competition,

(the outcome of any regular season games the teams tied in record played against each other).

If Still Tied Then....

SECOND, by the "Run Differential" in the **Scores** of the games they played against each other

If Still Tied Then....

THIRD, by the **TOTAL Run Differential** for **All** their played **Regular Season** games.
